

south circle farm

2013 community supported agriculture

Indy grown produce available weekly

- The **2013 CSA** season runs from **early-May until mid-October (24 weeks)**. Share price is **\$550**—approximately **\$23/week**. Each share will consist of 7 – 12 items and feeds 2 – 4 people.
- Pick up your share at the farm on **Thursday, from 3:30 to 6:00 pm**.
- At this time, half-shares are not available. If you are interested in a smaller portion of food, please find a friend or family member to split your share. You can arrange to pick up on alternating weeks, or split the share each week. Produce is so fresh that most items will keep well for 7 – 14 days, making alternate week pick-ups a great solution. Please contact me if you would like to be connected to someone else who wants to share a share.
- **Ready to join?** Please see page two for application information. Membership is very limited—please apply early

how did you hear about south circle farm CSA? _____

- Pick up is Thursday evening, from 3:30 to 6:00 pm.
- Please email Amy by Wednesday evening if you know you cannot pick up your share. If something comes up on Thursday and you know you cannot pick up, please call or text Amy to arrange late pick up.
- Every attempt is made to vary offerings from week to week, weather and conditions permitting. A typical week includes a salad green, a cooking green, a crunchy root, an herb, a seasonal fruiting crop or two (pea, zucchini, tomato, etc), an onion-family veggie, and—when we're lucky—berries or a melon. For more choice and variety, a "swap box" will be provided at the pick-up site so you can grab some extra of your favorite and/or leave behind an item you don't want that week.

payment:

_____ I'm enclosing my deposit of \$200.

_____ I'm enclosing my full payment of \$550.

If paying deposit only, your balance is due before **April 15th, 2013**. Please contact Amy if you need a more flexible payment plan!

As your farmer, I will plan carefully to minimize risk and maximize the bounty. I will make every effort to include a wide variety of freshly picked and carefully washed vegetables, herbs, and berries in each share. I agree to grow all produce with care for the plants and the soil to bring you nutritious and tasty fruits and vegetables.

As a shareholder of South Circle Farm's Community Supported Agriculture program, I agree to assume the risks and rewards of the growing season with the farmer. I understand that farming is an unpredictable undertaking and that share volume and weight will fluctuate from week to week across the season. I agree to pick up my share on-time every week (or designate someone else to do so) and return my previous week's CSA box in good condition.
